

The 8 Steps

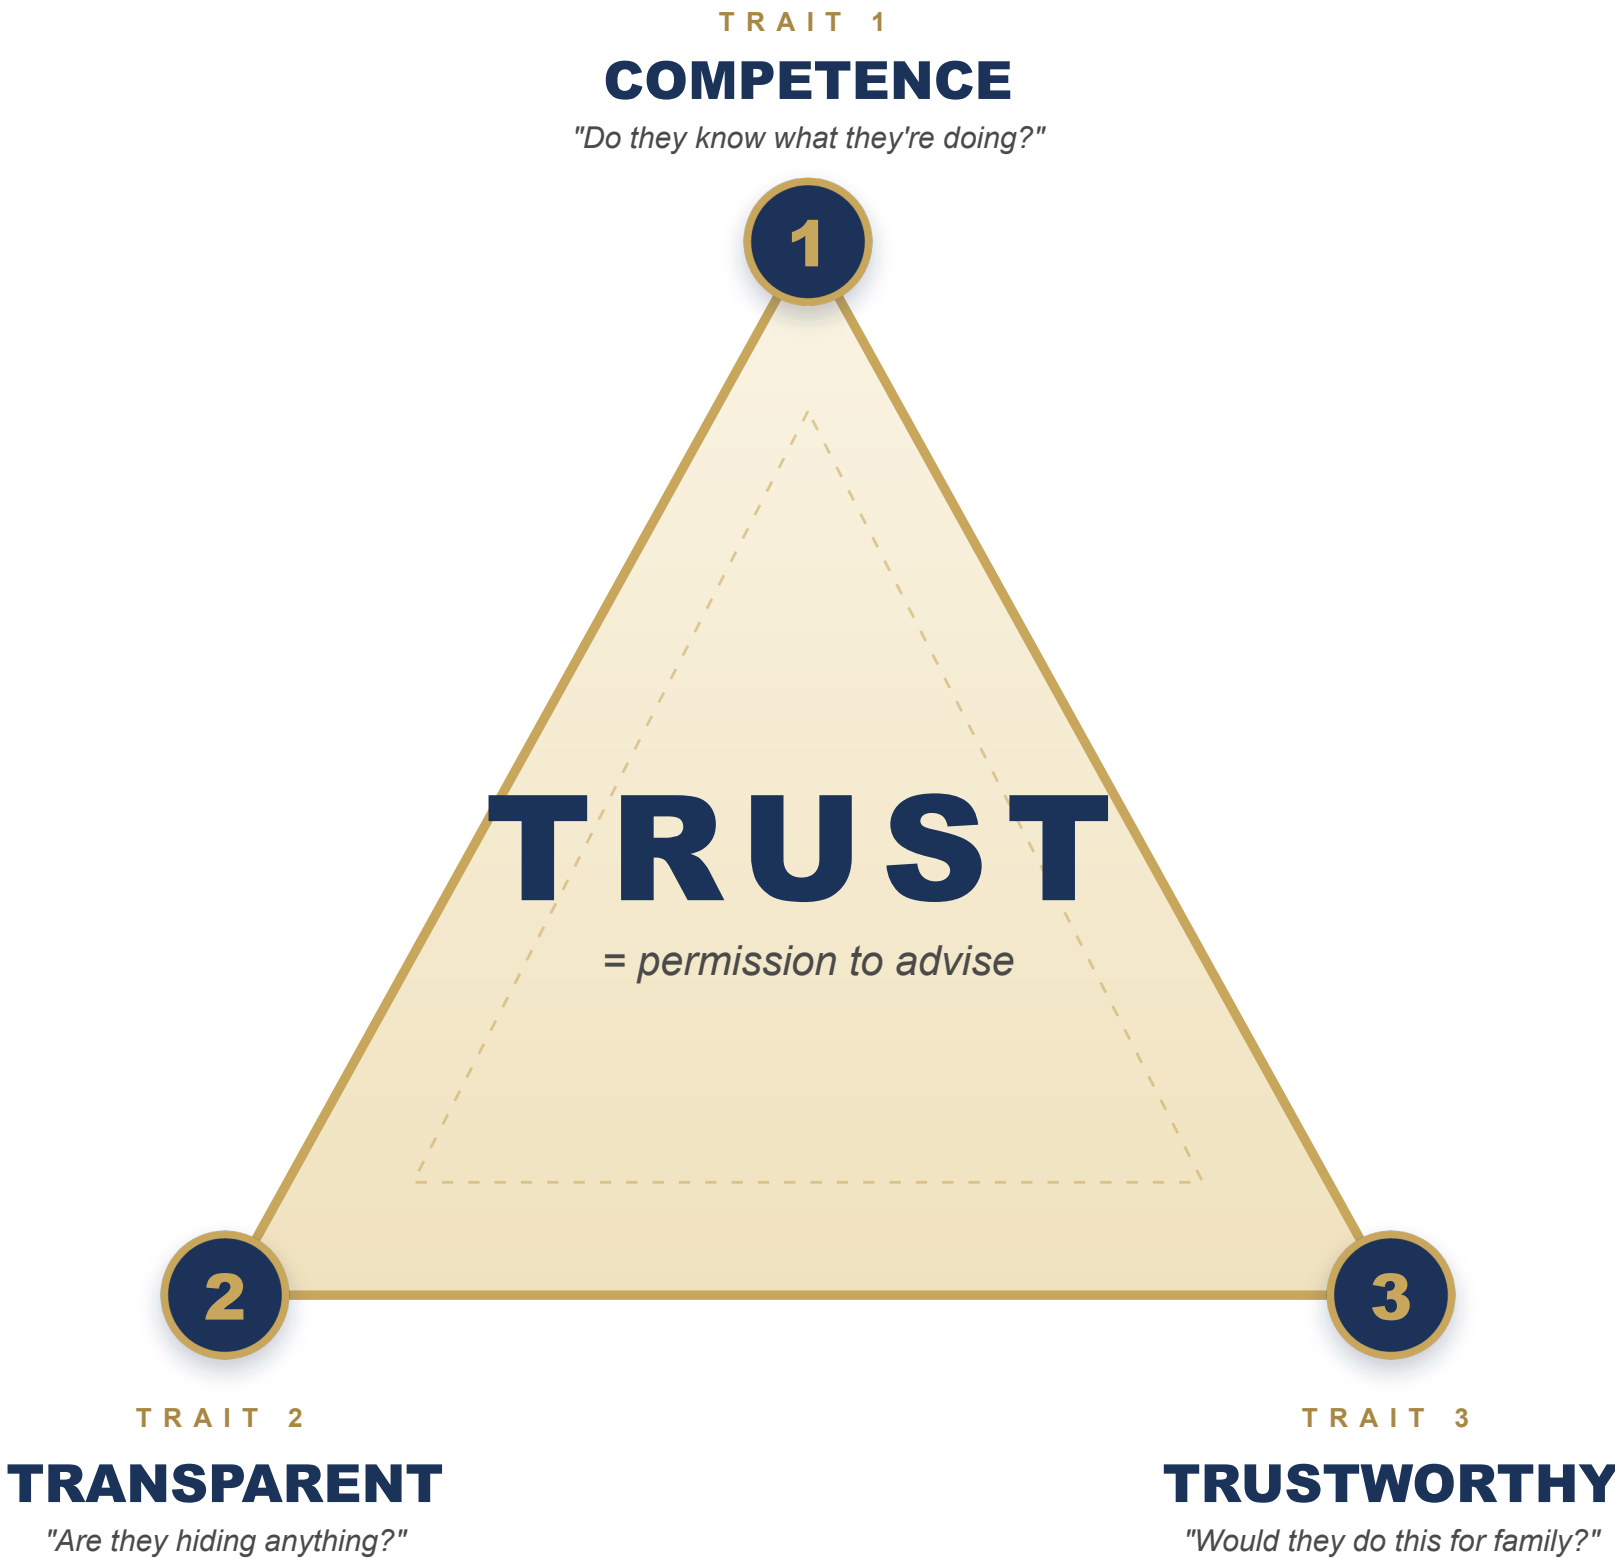

Run them in order. Never skip. Each step removes one specific uncertainty.

"Sales is not persuasion. Sales is the systematic reduction of uncertainty."

The Trust Triangle

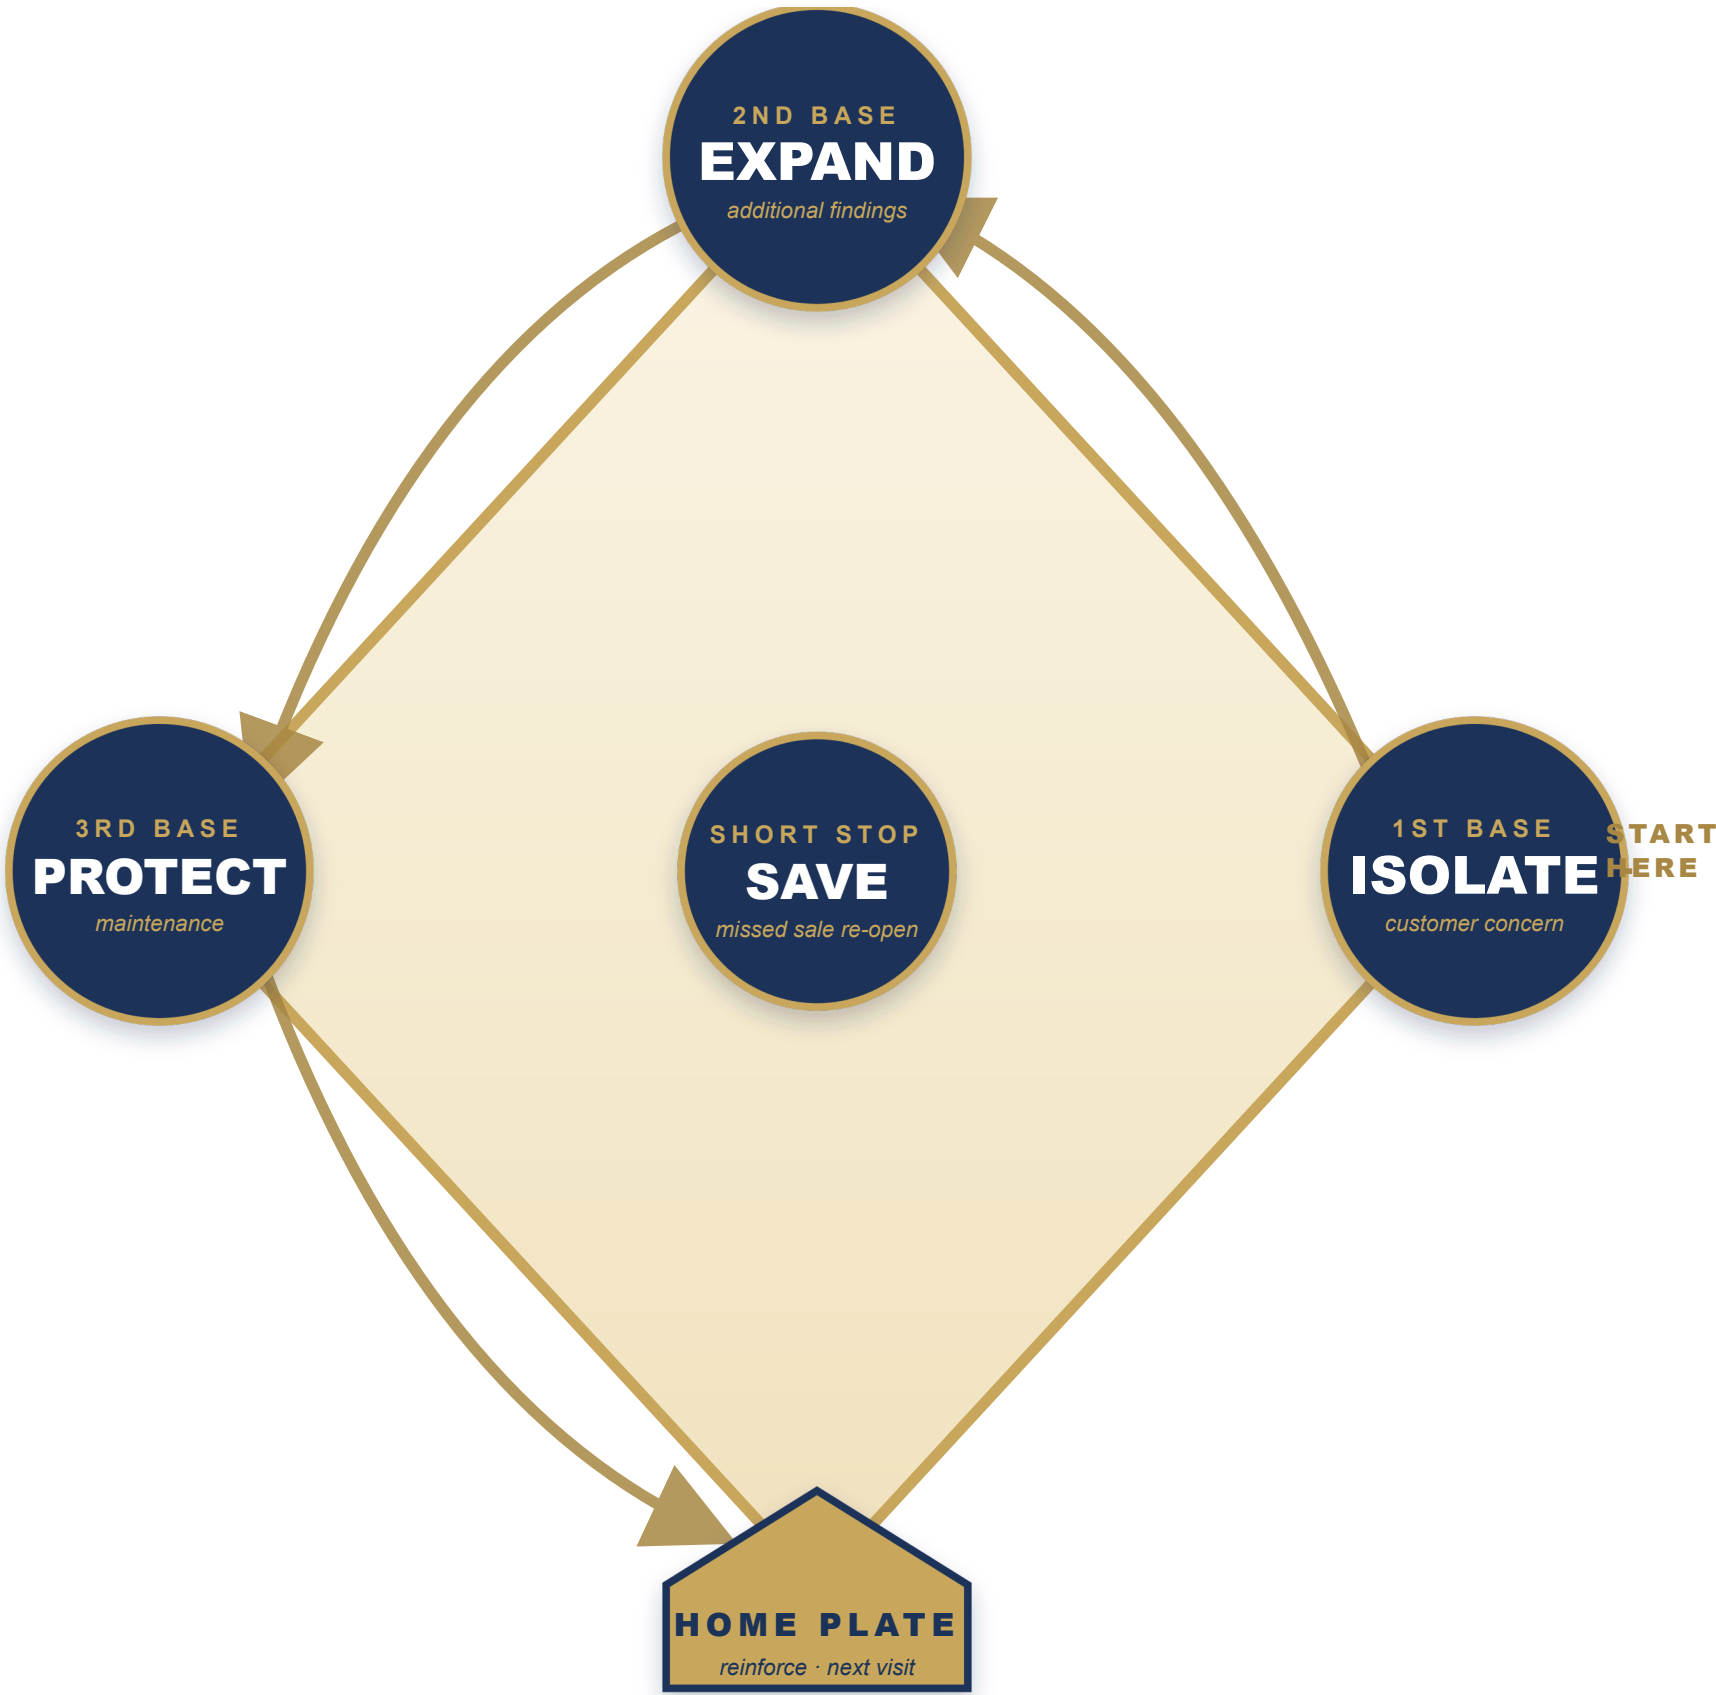

Every customer silently grades you on three traits. Score all three → price is irrelevant.

Lose any one leg → price becomes the only conversation you will ever have.

The Diamond

Touch every base. In order. Never kitchen-sink. Never skip.

*Hang up between bases. Re-call for the next.
Slower — and a meaningfully higher close rate.*

I Will...

Recite it weekly. Live it daily.

*I will **assure every customer** they called the
right place.*

*I will **earn the appointment** instead of quoting
blindly.*

*I will **run the bases in order.***

*I will **defeat the bosses with words**, not
arguments.*

*I will **L → A → S → T** when things go wrong.*

*I will **treat every car** as if it carries my own
family.*

**DO WHAT'S RIGHT
DO WHAT'S FAIR
DO YOUR BEST**
