Fill out at the end of every shift. Five minutes. Compounding rewires.

How to use: Count Y/N for each behavior across all your calls today. Compute greet-to-tour at the bottom. Note one improvement and one win.

Credibility Tour Tracker

Score the tour against the Trust Triangle. Six tour lines, three trust legs.

How to use: Walk along with the advisor on one tour per week. For each line they deliver, tag it C (Competence), T (Transparency), or Tw (Trustworthy). Total at bottom. Imbalance = coaching opportunity.

COACH AUDIT · ONE RO PER ADVISOR PER DAY

Custody & RO Quality Check

Could the tech walk into the bay cold and reproduce the customer's symptom? If not, custody discipline broke down.

RO DETAILS

Advisor:

RO # / Date:

Vehicle / Customer:

QUALITY CHECKS

- ☐ Documented concern uses customer's symptom language (not advisor self-diagnosis)
- ☐ Concern translated to a professional concern (root cause, not just symptom)
- ☐ Tech could reproduce the symptom from the writing alone
- ☐ Verified contact info on the boom board / RO
- ☐ Vehicle was in the bay before any pricing conversation
- ☐ East-West was offered on the first scheduling ask
- ☐ Customer was separated from vehicle within 10 min of arrival

COACH REVIEW · 2 DVIS PER ADVISOR PER WEEK

DVI Quality Audit

Open the DVI as if you were the customer. Could you understand the finding from the photos and notes alone?

Hard gate: No DVI media = no presentation. DVI w/ Media % must be $\geq 95\%$.

DVI DETAILS

Advisor / Tech:

RO # / Date:

Total findings (count):

QUALITY CHECKS

- ☐ DVI completed bumper-to-bumper, every section
- ☐ Every **Yellow** finding has ≥ 1 photo or video
- ☐ Every **Red** finding has ≥ 1 photo or video
- ☐ Tech walk-the-bay completed within 15 min of DVI completion
- ☐ DVI sent to customer via text/email before presentation call
- ☐ Customer opened/viewed DVI before presentation (confirmed)
- ☐ PRS drafted for every Red and Yellow finding
- ☐ Green / Yellow / Red sort matches manufacturer-spec binary (not advisor's perception of severity)

"I will assure every customer they called the right place. I will earn the appointment instead of quoting blindly. I will run the bases in order. I will defeat the bosses with words, not arguments. I will L → A → S → T when things go wrong. I will treat every car as if it carries my own family.

And I will never forget — Do what's Right, Do what's Fair, and do Your Best."
